A screenshot of the USA Today website in a Windows Internet Explorer browser. The browser's address bar shows the URL: http://www.usatoday.com/story/travel/hotels/2012/12/21/hotel-fireplaces/1782523/. The website's navigation bar includes categories like NEWS, SPORTS, LIFE, MONEY, TECH, TRAVEL (highlighted), and OPINION. A red banner at the top reads "BREAKING NEWS Apple earnings beat expectations, boosted by holiday sales | Read Story". The main article title is "Coziest hotel fireplaces across the USA". The featured image shows four people sitting around a large, circular stone fireplace in an outdoor lounge area at dusk. Below the image is a text block: "Terranea Resort, Rancho Palos Verdes, Calif.: Terranea Resort in Rancho Palos Verdes might be in sunny southern California, but come nightfall, there's no reason why good friends can't sit around a lovely fire recounting the day's adventures and roasting marshmallows. Guests here can also enjoy a small fireplace in the reception area of the hotel's spa; in addition, one of the spa's treatment rooms has a fireplace next to its copper tub. Oyster.com". Below the text is a horizontal gallery of seven smaller images showing different hotel fireplaces. The Windows taskbar at the bottom shows the start button, several open applications, and the system clock displaying 2:15 PM on 12/21/12.
