AMAZING IDEAS FOR A STAYCATION HONEYMOON

1/15

From city stays to tucked-away mountain retreats, these staycation ideas are the perfect spots for low-key (and budget-conscious!) honeymooners.

BY LANE NIESET

Los Angeles, California

Terranea's private peninsula surrounded by the Pacific is not the Los Angeles you may think you know. This resort feels worlds away from Beverly Hills and Rodeo Drive, but will still make you feel like a movie star, which is no surprise since the spot has been used for many Hollywood film sets. When you're finally ready for a little "me" time, hit the oceanfront spa or take a dip in one of the four pools overlooking the Pacific.
