Terranea Resort is perfectly placed along the coast, offering sweeping views of the ocean and Catalina Island. The property boasts eight eateries, each one with signature platters. Catalina Kitchen is an option for casual midday meals or something a bit more intimate and romantic once the sun goes down. Snag a seat on the terrace, and enjoy every moment al fresco. There's a certain Californian-Mediterranean pasta dish with origins in the Piedmont region of Italy. Leek and goat cheese-stuffed agnolotti are paired with fennel, candied garlic and brightly flavored gremolata, which adds a balance of texture to the tender pasta.
