Nothing goes more hand in hand with your wedding weekend than a quick round at The Links at Terranea. Situated conveniently right on the resort property, The Links is an award-winning, 9-hole, par-3 golf course with spectacular ocean views and challenging greens. The golf course is walking only and takes just under 2 hours to play, leaving plenty of time for rehearsal dinners and other wedding festivities. Ask our group golf coordinator about the special add-on options, including logo “bride and groom” golf balls, towels, etc. as well as the beverage mini cooler service to make your day truly extraordinary.
