Extraordinary Excursions

Naturally Inspired

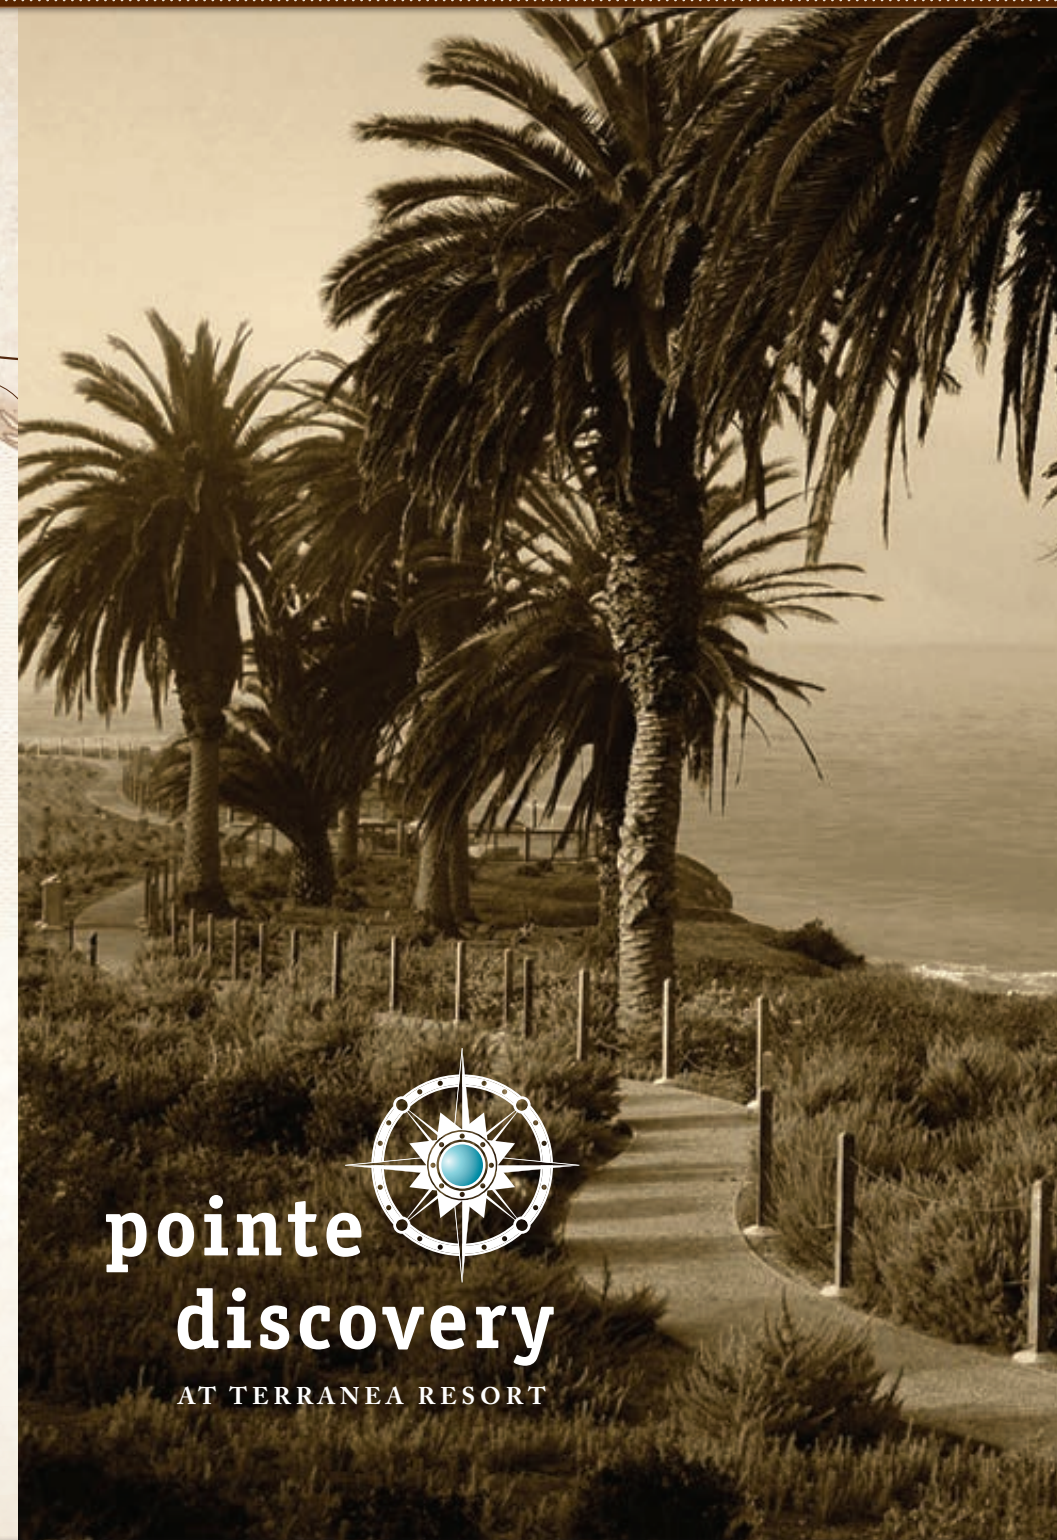

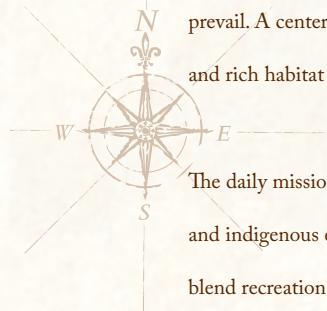

A Mediterranean climate, combined with on-site and nearby aquatic and land based adventures in a stunning visual landscape, compels one to explore. It is in this arena that Terranea sets itself apart. Our exquisite coastal orientation gives us oceanic wind and swell protection to the West from Catalina Island allowing calm Pacific conditions to prevail. A centerpiece to the Terranea stay is embracing all that our ocean realm and rich habitat offers through our customized Aqua-Terra Adventures.

The daily mission of Terranea's Activity Leaders is to provide the most creative and indigenous experiences for our guests and visitors. Our priority is to blend recreation with a sense of place and personalized service. Tapping into the expertise of these Naturalists, Ornithologist, and Artists, we have created Adventures that provide hours of fun, while offering teachable moments in nature. Whether by firsthand exploration in the Tide Pools and on the Nature Trails or through educational programs, guests will leave with a local's connection to this special place.
