Savor stunning views from these edgy getaways. By Jason Oliver Nixon

**1 | Santorini, Greece //** Situated in white-washed Oia, boutique-styled **Mystique, A Luxury Collection Hotel** is postcard perfect. Relax in a private and spacious Air of Secrecy Villa and take in the vistas of the caldera-formed coastline before settling in beside the infinity edge swimming pool. Explore the town via mountain bike, then dine at the hotel's exceptional Charisma restaurant. [luxurycollection.com/mystique](http://luxurycollection.com/mystique)

**2 | Taormina, Italy //** From its dramatic perch, the **Grand Hotel Timeo** offers sweeping views of the Sicilian coastline and distant Mount Etna. **4 | Cappadocia, Turkey //** Situated on the site of an ancient monastery, **Argos in Cappadocia** houses 34 unique, architecturally arresting rooms in a series of hill-hugging mansions (for a special treat, book one of the four suites with private cave pools). Explore the 5-kilometer tunnel under the hotel (now home to a wine room) before enjoying the vineyards and gardens. And don't miss a balloon ride at sunrise over the region's valleys. ## On Our Radar //

### Car Seat Carrier

When you're trying to pack for a family flight, a car seat can be cumbersome. The **Gogo-Kidz Travelmate** lets you snap the car seat onto a cart and wheel it (and your tot) right to the gate.

### Cashmere Kit

Carry a blanket and eye mask on the plane to help you arrive cool, calm and collected. You'll find both in Christopher Fischer's waffle-knit cashmere **Ashlen travel set** (\$550), which includes a travel bag. [christopherfischer.com](http://christopherfischer.com)

### City Guide

Headed to Hong Kong, Beijing or Shanghai? Pick up **Zhao Cards** city guides. Each color-coded card features a different

attraction, hotel or restaurant, plus vital information—address, hours of operation, description. Flip through the cards on the flight, find your desired attractions and throw it in your bag for easy reference. There is also a fold-out map. [zhaocards.com](http://zhaocards.com)

## Play List //

### The Tides Beach Club, Maine

Hotelier **Tim Harrington** has an impeccable sense of style and brings his passion for far-flung escapes to his multiple Kennebunkport properties, including the just-opened and über chic **The Tides Beach Club** ([tidesbeachclubmaine.com](http://tidesbeachclubmaine.com)). Says Harrington, "We mixed a bit of Casa Tua in Miami Beach with Ibiza's Blue Marlin and a little of Uruguay's Sarava. Pour these experiences onto Goose Rocks Beach, and, voilà, Tides Beach Club." Harrington splits his time between Maine, Miami, Buenos Aires and Uruguay. So what's on the play list?
