

Course Overview

The Links at Terranea is an incomparable 9-hole, par 3 golf course just a few steps from the Pacific Ocean. The Links offers a collection of nine remarkable par 3s, masterfully integrated with each other and the surrounding landmarks. Elevation changes, green contours, artful bunkering, unobstructed sightlines, and a wide range of classic strategic elements all combine to give it plenty of visual drama and sheer enjoyability.

With a variety of tee placements, the course provides a new golfer an inviting setup, and an experienced golfer the opportunity to play every type of short to long iron shot imaginable. From the back tees, the golf course totals approximately 1,239 yards, with holes ranging from 104 to 173 yards.

The Links delivers an exciting course, reasonably priced, that won't take all day to play. Perhaps best of all, golfers at The Links walk and take in the magnificent coastal setting, just as the game was intended to be enjoyed.
