MUST HAVE BROWNIE

6

espresso cream

Nelson's is a tribute to Mike Nelson, the character played by Lloyd Bridges in the famed "Sea Hunt" television series. Much of the hit program was filmed on the site and in the waters around where Terranea is built. Mr. Bridges was a pioneer in environmental awareness and his "Sea Hunt" character was instrumental in bringing the message to the world that the oceans are one of our most vital resources, which we should do all we can to preserve.
