Lexus Driving Experiences, Terranea Resort, Rancho Palos Verdes, California

For some, a trip to Southern California wouldn't be complete without a top-down drive, which is why Terranea Resort partnered with Lexus to offer a series of themed drive itineraries. Guests staying in a Shearwater Suite have complimentary access to the resort's fleet of Lexus vehicles and can choose from a

romantic cruise along the coast (highlighting prime picnic and sunset-watching spots), an outdoor-adventure drive (complete with snacks for hikes and binoculars for coastal wildlife spotting) or a retail escape (a GPS-guided outing to one of the area's best shopping areas). Not into convertibles? The lineup also includes sedans, SUVs and hybrids. *Suite rates start at \$2,445; 100 Terranea Way; 310-265-2800; terranea.com.*
