Calif's ever-cool—and chic!—hotels set the stage for the perfect weekend weddings.

Extend your one-night-to-remember into a 48-hour getaway with these must-visit wedding destinations just a quick drive from LA. No need to trek to Hawaii or even Napa for your nuptials: Turn that special day into a little getaway with a (local) destination wedding less than two hours from the city.

Located just south of LAX, about 45 minutes from LA, [Terranea Resort](#) (100 Terranea Way, Rancho Palos Verdes, 310-494-7891) sits on a 102-acre peninsula in Palos Verdes with 360

degree ocean views. Say your “I do’s” cliff-side and access the beach for stunning pre-ceremony photos at this resort with multiple outdoor and indoor spaces, including a massive 18,000-square-foot grand ballroom.
